RENTERS INSURANCE QUOTE OPTIONS (De

We've included three coverage levels, all with \$300,000 in personal liability, designed to meet association requirements:

\$25,000 Contents – approx. \$140 annually

\$50,000 Contents – approx. \$193 annually

\$78,000 Contents – approx. \$240 annually

These quotes provide liability protection for water damage to another unit caused by the renter, someone slips and gets injured inside the apartment, accidental damage to common elements, and are structured to be affordable and easy for tenants to obtain. The policies have only a \$1,000 deductible.

HO6 POLICY OPTIONS FOR UNIT OWNERS.

Premium options based on the building's unit square footage. These rates reflect \$78,000 dwelling coverage, \$300,000 liability, and personal property at the carrier minimum. The policies have only a \$1,000 deductible. Hurricane/Wind coverage is not included. The rate will decrease if we remove the dwelling coverage and keep it as a liability only policy.
