

Municipal Parking Garage & Lots

Important Update: Bay Harbor Islands Parking Permits Are Now Digital

The Town of Bay Harbor Islands has transitioned from paper parking hangtags to a new, modern **digital license plate-based parking permit system**.

All vehicle owners are required to register their vehicles through the new **Parking Permit Portal**. Digital parking permit purchases for the August permit period will also begin on that date. Once approved, your parking permit will be electronically linked directly to your vehicle's license plate. This means **no more physical hangtags** will be used for parking permits.

A [Quick Start Guide](#) is available within the portal to assist residents and visitors through the registration process.

Watch on

How to Get Started

1. Visit: <https://bayharbor.civicsmart.com/>
2. Sign up using your email address.
3. Create a secure password (do not share your password).
4. Register your vehicle by completing all required fields.
5. Upload the required verification documents and submit your application.

Important Reminders

Please double-check that your license plate information is entered correctly. Errors such as typing the letter "O" instead of the number zero (0), or a letter "B" instead of the number eight (8), may result in a citation because the incorrect tag will not register in the parking system.

Note: A \$5.00 processing fee will be charged per permit by CivicSmart online. Only a limited number of permits are available each month and are sold on a first-come served basis. Purchases are limited to one month at a time.

- No digital permits will be sold at Town Hall.
- All permits will now be issued digitally.
- Your license plate will serve as your parking permit.

- Ensure all information entered is accurate to avoid delays.
- Incomplete applications may not be approved.

For additional assistance, please contact CivicSmart customer support at **414-877-5481**. For more information you can call Town Hall at **305-866-6241**.

The Town of Bay Harbor Islands has several municipal parking lots located throughout the Town, as well as a municipal parking garage. Parking may be purchased at the hourly rate (3-hours maximum).
