Dear Owner:

This department has received the structural and electrical reports dated 09/24/2022 stating that an Architect/Engineer has examined the above referenced building and that he/she recommends it is structurally and electrically safe for its continued occupancy.

Based on acceptance of this report, we hereby grant this LETTER OF RECERTIFICATION for the above subject premises in accordance with Metropolitan Miami-Dade County Ordinance No. Section 8-11 (f). For the certification due in 2021.

The expiration, year, 2031, of this approval as stated in said Ordinances, is 10 years from 2021. Again, based on the year of completion of the building or structure. This recertification letter does not exclude the building from subsequent inspections as deemed necessary by the Building Official.

As a routine matter, and in order to avoid possible misunderstanding, nothing in this letter should be construed directly, or indirectly, as a guarantee of the safety of any portion of the structure.

Sincerely,

Vince Seijas
Building Official
